

BÖLLHOFF

Innovative thread technology meets aluminium casting

JOIN.able

Expert knowledge in 30 minutes

Thread technology in lightweight structures

Join our online seminar to experience live how you can use our fasteners to reinforce and seal threads in an innovative way. There are also different options to create threads in aluminium materials.

Wednesday, 2 October 2024 | 11:00 a.m. (German time)

Benefit from our know-how. Simply scan the QR code to register or go to

<https://www.boellhoff.com/de-en/online-seminars>.

This is surely a free online seminar.

We are looking forward to your participation.

PS: You are also welcome to visit us for a personal meeting at the trade fairs ALUMINIUM in Dusseldorf (08 – 10 October 2024) and Internationale Zuliefererbörse (IZB) in Wolfsburg (22 – 24 October 2024).
